

andrea kereliuk.

experience

developer, filament creative

october 2017 - present

- integrated the **Stripe Payments API** into a custom WordPress theme
- spun up an **apache** server & added an **SSL cert** through Let's Encrypt for a WordPress installation and subdomain on Digital Ocean
- built an interactive **SVG animation** for a featured section of a client's website (panel two, start the tour)

front end developer, ecentricarts

july 2015 - september 2017

- jointly created an accessibility 101 presentation and **anchored the Q and A** for 2017's Q3 Kentico Partner Summit
- acted as development lead on custom **WordPress** themes from scratch for non-profit clients
- wrote a blog post providing ways to include instructions for clients in the WordPress CMS
- helped to standardize **npm**, **gulp** and **webpack** front end tools in-house
- utilized **git** and **mercurial** for version control on projects
- managed pieces of projects' development pipelines with **TeamCity** and **Azure**
- implemented feature upgrades on existing **Angular 1.x** and **Kentico CMS** projects
- completed a **c#** introductory course from learning tree

instructor, responsive web design with advanced css, george brown college

january 2017 - june 2017

- taught and evaluated a class on the importance and strategies of using **responsive web design** with demos of grid systems, menu patterns, frameworks, and sass
- created **original** course lectures and assessment material
- distilled advice about keeping up in the industry through reading, continuous education, and local meetups

independent projects & activities

- moved my personal site to digital ocean and spun up an Nginx server
- written a blog post about starting sites and working locally on pantheon.io
- mentored girls and teens volunteering for ladies learning code
- attended a11yTO, #DevTO, and Full Stack Toronto meetups, among others

what's next?

upcoming goals

- use more javascript (especially one or both of **react/vue**)
- complete an open-sourced-data-related side-project
- write more blog posts
- ~~run a 5k~~ ✓ ~~run a 10k~~ ✓ ~~run a half-marathon~~ ✓ figure out if i have the mental willpower to run a full marathon
